A Message from the Mayor

Dear Neighbors and Friends,

Happy New Year! As we embark on a new year, it is impossible not to reflect on the past year and how it changed our world in so many ways. At this time last year, I don't think any one of us imagined what was in store for 2020.

When the pandemic came, we were presented with tremendous challenges both locally and globally. During this time of hardship and uncertainty, I am especially proud of how we, as a community, banded together to help each other navigate the uncharted waters of COVID-19.

Midland Park is where many of our frontline workers live. I am so proud of the doctors, nurses, police, fire, ambulance, and DPW personnel who sacrificed so much to help care for and protect all of us. I am also so proud of our teachers and administrators who, without warning, had to change the how and where they educated our students. Thank you to all of our essential workers, like our grocery store workers and postal service workers who went to work every day not knowing what they would be faced with.

With so many events and milestones affected this past year, our residents created birthday parades, graduation parades, and more. Neighbors shopped for neighbors who were unable to leave their homes. While much was cancelled, we saw a community come together, which only reinforces why Midland Park is best described as a small town with a big heart.

Rest assured, throughout it all we have been dedicated to the health, safety, and well-being of our residents and neighbors. We have been called on to make sacrifices to benefit the greater good and I thank each and every one of you for your patience and understanding.

As we turn the pages on the 2021 calendar, please know that the things we miss so dearly will resume once again and our community will remain the wonderful, idyllic town we always have been.

On behalf of myself and the council, please accept my deepest wishes for good health, resiliency, and hope to all of you.

Sincerely,
Harry Shortway, Jr.

Tax Collector's Office

How & When To Pay Your Property Taxes

- Tax payments are due February 1, May 1, August 1, and November 1 of each year. There is a 10-calendar day grace period each quarter, however it is important to note that interest accrues from the original due date for any payments received after the 10-calendar day grace period.
- Interest is at the rate of 8% per annum on the first \$1500.00 and 18% on the amount in excess of \$1500.00.

Paying Online: If you are paying your taxes online, please note that when you enter a payment in the system, your Checking Account or Credit Card will be charged that day. If you pay by ACH (electronic bank transfer) or e-check, there is a \$1.95 convenience fee per transaction. For all other debit card and credit card payments the fee is 2.95% of your total bill

Pay By Mail: If you are mailing in your payment and you wish to receive a receipt, a self-addressed stamped envelope should be included with your entire tax bill. Your receipt will appear on the reverse side of your bill.

Pay in Person: When making your payments in person, if you wish to receive a receipt, the tax bill in its entirety must accompany the payment.

Drop Box: For your convenience, there is a secure drop box located outside of the main entrance of the municipal building. All payments received through the drop box will be posted to your account the following day. Please DO NOT leave cash payments in the drop box.

For more information, please contact Anna by emailing akalata@midlandparknj.org

News for New Homeowners

Welcome to Midland Park and congratulations on your new home! If you did not receive the tax bill from the previous owner, and you do not have a mortgage company escrowing your taxes, please call the tax office 201-445-5720 x 8280 to have one printed for you. By statute, it is the homeowner's responsibility to ascertain the amount and due dates of property taxes.

Post-Dated Checks: The law requires our office to deposit payments as soon as they are received, and we cannot accept "post-dated" checks. Therefore, please date your check the day you write it out, just as you would if you were paying in person.

Thank you to the 2020 Mayor and Council!

Midland Park Emergency Services

Midland Park Police

Upon its incorporation as a borough in 1894, the governing body at that time recognized the need to establish such public services as may be required of any growing community. Among those was a Public Safety Committee that appointed John Maar as their first Marshall. His duties, among others were 'the preservation of public order' and the 'detection and apprehension of criminals'. The present-day Midland Park Police Department is the result of those humble beginnings.

The current Midland Park Police Department is staffed by 17 sworn officers utilizing state of the art equipment and technology. Various divisions within the department include Patrol Division, Detective Bureau, Juvenile Division and Traffic Bureau, as well as a full-time School Resource Officer. The hard work and dedication of our municipal employees and tireless volunteers have earned Midland Park a reputation as an ideal community in which to live and raise a family.

Midland Park Fire Department

The Borough of Midland Park and the Community would like to thank the Midland Park Volunteer Fire Department for their commitment and service.

The Volunteers of the department generously host popular events during the holidays such as: Breakfast with Santa, Project Santa and, working in conjunction with the United States Marine Corps, Toys for Tots, again we thank you for your service. If you're interested in joining please email MPFDFire@midlandparknj.org

Midland Park Ambulance

On March 1, 1942, a group of 18 dedicated men joined together and started the Midland Park Community Ambulance. Now 78 years later your Midland Park Ambulance Corps is staffed with 20 professionally trained New Jersey State Department of Health certified Emergency Medical Technicians and 5 Drivers. The Midland Park Ambulance Corps has two ambulances and a mass casualty trailer unit. We are ready to respond to emergencies in Midland Park and provide mutual aid to surrounding towns.

Members make an ambulance corps. They come from local people who wish to help their neighbors. Volunteers who live in Midland Park and in other towns within a 1.5-mile driving distance from the building are needed. Previous and current New Jersey EMT's, as well as people who want to take the EMT course, are welcomed. Training will be provided at no cost at several local facilities. If interested, please email a request for an application to membership@midlandparkac.org

CERT Seeks Volunteers

CERT is a very integral support group for first responders such as Police, Fire, & EMS. They are a resource that is called upon when Natural Disasters occur to assist the community with information. CERT is looking for individuals that could help the community during such events. If interested, please refer to the Midland Park website under Office of Emergency Management for further information

Snow Removal Laws Enforced

It is a property owner's responsibility to clear snow and ice from the sidewalk bordering their property. The Borough Code pertaining to shoveling of the sidewalks will be strictly enforced. It is required that sidewalks be shoveled within 24 hours of daylight after a snowfall. Summons will be issued by the police for noncompliance with this ordinance. Keep fire hydrants cleared of snow. Do not shovel snow into the street.

August

The illustration depicts a vibrant beach scene. The sky is a deep blue, featuring a large yellow sun in the top left corner with radiating lines, and three simple black birds in flight. The word 'August' is written across the middle of the sky in large, bold, purple letters. Below the text, the ocean is represented by several rows of dark blue wavy lines. The beach is a light tan color, dotted with small black specks. On the beach, there is a red bucket with a yellow handle, a blue shovel, a red crab, a red starfish, a green and blue striped beach towel, a blue beach chair, a red beach umbrella, and a small black rock. The overall style is simple and colorful, typical of a children's book illustration.

Pet Licensing

Animal Licensing costs are \$12.00 for Dogs and Cats, with an additional \$3 if the animal is not spayed/neutered.

Animal licensing period is the month of May. **AS PER STATE LAW, RABIES SHOTS MUST BE GOOD FOR 10 MONTHS—EXPIRING NO EARLIER THAN THE FOLLOWING MARCH.**

Licenses can be renewed in person at the Borough Hall, 280 Godwin Ave, Monday-Friday 8:30am-4:30pm. Licenses can also be renewed by mail; please make the check payable to the Borough of Midland Park and include proof of rabies vaccination, proof of spaying/neutering and a self-addressed stamped envelope.

Please notify the Borough Hall office at 201-445-5720, if you no longer have a pet to be registered.

A \$10.00 late fee will be strictly enforced as of June 15th. Please also note, if the license is not renewed by June 30th, a summons will be issued.

Free Rabies Vaccination Program

The Midland Park Board of Health will be holding its annual Rabies Program to give FREE Rabies Vaccinations on Monday, May 10th from 6:30 pm to 8:30 pm. The program will take place at the Municipal Building, 280 Godwin Avenue in Midland Park, NJ. Dogs must be on leashes and cats must be in carriers; both dogs and cats are welcomed at any time. No retractable leashes can be used. Residents from other municipalities are welcome to bring their pets to the program.

Rabies vaccinations are required by the NJ Department of Health for ALL dogs and cats four months of age and older (but not less than 12 weeks of age). A booster vaccination should be given one year later and every three years thereafter. Please check the status of your dog's or cat's rabies vaccination records. Rabies is always a potential danger to humans and domestic animals if exposed to a rabid animal. Be proactive and have your pets vaccinated.

The Borough will also re-new and issue new animal licenses for the May to May licensing year at the free rabies clinic. If your animal is not in need of a vaccine you can renew or obtain a new license at the Borough Hall in person beginning May 1st, Monday – Friday 8:30am - 4:30pm, or by mail following the same instructions above.

For more information regarding licensing, please call the Borough Clerk at 201-445-5720.

"Cut It and Leave It"

Grass clippings lend themselves to a natural way of recycling, the "cut it and leave it" method. It is highly recommended as a time and money saving program. Homeowners who leave grass clippings on their lawns will reduce their mowing time by 20-25% since they don't spend time bagging. In addition, since the clippings serve as a nutrient, it saves money on fertilizer, as well as grass bags.

Recyclables

The collection of **recyclables** will take place on **alternate Fridays. Commingled**, includes glass, aluminum, tin, and plastic containers, and must be placed curbside in barrels. **Paper and cardboard** are collected tied in bundles or in paper bags, **not plastic bags**. Please refer to www.midlandparknj.org for additional information pertaining to recyclable items.

Vegetative waste is collected on Wednesdays from April 7 through October 13. Grass clippings should be placed in open barrels or paper bags, no larger than 30 gallons and weighing no more than 50 pounds. After October 13, grass clippings, brush and small branches (less than 1" in diameter) can be added to loose leaves. Large branches can be taken to the recycling center. Branches must be less than four feet in length and tied in bundles.

Recycling Center

The Recycling Center, located on the corner of Greenwood Avenue and Birch Street, is open **Tuesday from 9 am to 3 pm, Wednesday from 12 to 6 pm, Thursday from 9 am to 3 pm, and Friday and Saturday from 9 am to 3 pm. It is closed Sunday and Monday.**

These items can be disposed of on one of the three hazardous waste collection days sponsored each year by the Bergen County Utilities Authority. For dates and further information, call 201-807-5825 or visit the website at www.bcu.org.

Protect Our Drinking Water

Limit your use of fertilizers and pesticides

- Do a soil test to see if you need a fertilizer and do not apply fertilizers if heavy rain is predicted or consider alternatives for pesticides.
- If you use fertilizers and pesticides, follow all instructions carefully

Properly use and dispose of hazardous products

- Hazardous products include some household or commercial cleaning products, lawn and garden care products, motor oil, antifreeze, and paints.
- Do not pour any hazardous products down a storm drain.
- If you have hazardous products in your home or workplace, make sure you store or dispose of them properly. Read the label for guidance.

Clean up after your pet

- All pet owners and keepers are required by law to immediately and properly dispose of their pet's solid waste on any public or private property not owned by that person.
- Use newspaper, bags or pooper scoopers to pick up waste and dispose of the wrapped pet waste in the trash or unwrapped in a toilet.
- Never discard pet waste in a storm drain.

Dispose of your yard waste properly

- Keep leaves and grass out of storm drains and follow yard waste collection rules.
- Use leaves and grass clippings as a resource for compost.
- Use a mulching mower that recycles grass clippings into the lawn.
